

SANDERS COUNTY DOG TRAINING CLUB

is hosting a 2 day Agility seminar

**WE WERE LUCKY ENOUGH TO BOOK A WEEKEND IN RONAN WITH
KAREN McLEOD AND JAN THINGELSTAD**

These ladies are both Certified NADAC Agility instructors and have won many titles in agility and other dog sports. Some of the club members who trial in NADAC have been fortunate enough to benefit from their knowledge and training for the past few years. This seminar will cover basics to special handling skills needed for each team (you and your dog) that attends.

Date: Saturday June 13, 2020 and Sunday June 14, 2020

Time: 9 am to 4 pm with lunch break both days

You can attend the entire workshop (12 team spaces) cost is \$150

You can attend one day of the workshop (this is only if all 12 full spots are not filled) cost \$100

You can audit all or part of the seminar (unlimited audit space- no dog) cost \$50

The seminar will be a progression from Saturday to Sunday so if you only attend one day the recommended day would be Saturday but it is not required. If all twelve full seminar spots are taken there will still be audit spots open.

The seminar will be set up for all levels of ability. That means you and/or your dog. This will be a great learning opportunity and a great time to work out the kinks if you are already trialing.

We would like to fill this class with SCDTC members, but will open it to other agility folks if it does not fill.

**There is a down payment of \$25 to reserve a spot.
This is non refundable if you cancel and we can not fill your spot.**
